

# IMPROVE SAFETY & AESTHETICS

with Chief Mounts

Chief mounts can make all the difference in optimizing guest rooms for hotels, motels and resorts. By providing a clean look with a fast, simple and secure installation process, our wide range of display mounts can help take the guest room experience to the next level.

**Chief display mounts provide a wide range of benefits and features, including:**

- Clean and modern look with simple cable management
- Enhanced safety and security over table stands and tabletop security plates
- Improved viewing angles for even the most uniquely shaped rooms
- Increased floor or table space
- Simple and secure installation processes
- Compatibility with nearly every flat-panel display on the market
