

DESIGNED FOR THE WAY YOU WORK

The Chief Raxxess® Music Production Center is a customizable solution to fit how you work. Today's professional music production typically no longer requires analog, rack mounted equipment. Update your space with a versatile solution designed for today's production environment.

FEATURES

Customizable Solution

Mix and match a variety of components to configure a custom solution, tailored to your specific needs.

Integrated Cable Management

Easily route cables from monitors, CPUs and other components through integrated cable channels for a professional appearance.

Height Adjustable

Provides 4'-6' range of tool-free height adjustment for perfect component positioning and ergonomic alignment.

Heavy-Duty Work Surface

Large, heavy-duty work surface supports a variety of audio peripherals
