

SIMPLIFY YOUR DIGITAL SIGNAGE

Easily create dynamic digital menu boards and point-of-sale stations with Chief's restaurant solutions. Unparalleled features make installation a breeze, saving you time and money.

FUSION® FIXED & TILT MOUNTS

- **CENTRIS® LOW-PROFILE TILT**
Centris fingertip tilt technology uses the center of gravity to balance the screen while maintaining a low profile under 2" deep! Screen angle stays set in place until readjusted.
- **CENTERLESS™ LATERAL SHIFT**
Get perfect screen positioning, regardless of stud placement by sliding laterally after installed for a seamless installation. Centerless saves time by allowing fine tune screen placement without excessive measuring or redrilling holes.
- **CLICKCONNECT® SECURE LATCHING**
Hear an audible click when the screen safely engages with the mount. A built-in cable stand provides easy access under the screen.
- **CUSTOMIZABLE ACCESSORY SYSTEM**
A full line of supporting accessories can be integrated with the mount, extending the same adjustment benefits to the entire configuration.
- **OPEN WALL PLATE**
For easy connectivity and cable routing.

POINT-OF-SALE STAND, STS1

- **FINGERTIP TILT**
Provides smooth fingertip tilt in all directions. Screen angle stays set until you decide to re-adjust.
- **HEIGHT ADJUSTABLE**
Provides up to 7" (178 mm) of tool-free vertical adjustment.
- **CABLE MANAGEMENT**
Easily route and conceal cables through an integrated column channel for a clean finish.
- **BOLT-DOWN SECURITY**
Achieve a secure installation with a bolt-down base to prevent theft.

CEILING MOUNT, MCS

- **CENTRIS® FINGERTIP TILT**
Provides smooth fingertip tilt in all directions. Screen angle stays set until you decide to re-adjust.
- **Q-LATCH® MOUNTING SYSTEM**
Screen secures to mount with a latching flag. Easily connect/disconnect without any tools.
- **POST-INSTALLATION LEVELING**
No tools needed. Ultra fast and easy screen positioning with lock-down capability.
- **CABLE MANAGEMENT**
Easily route cables through 1-1/2" NPT extension column.

MONITOR SOLUTIONS

K1D100

- **HEAVY DUTY DESIGN**
Sleek, solidly constructed forged aluminum arms. Available with single or dual monitor options in black or silver.
- **FAST INSTALLATION**
Simple 3-step installation and integrated VESA® 100 x 100 mm quick-release interface. Multiple installation options available.
- **CENTRIS® EXTREME TILT**
Provides maximum screen positioning with -10° to +75° of tilt.
- **ULTIMATE FLEXIBILITY**
Dynamic height adjustment using gas spring technology for maximum ergonomic benefits.
- **CABLE MANAGEMENT**
Tool-free, hinged cable management covers snap easily around cables for a clean, professional look.
- **EFFORTLESS POSITIONING**
Arms swivel and extend providing a wide range of motion for perfect monitor placement, plus portrait to landscape rotation

MENU BOARDS MADE EASY

FUSION® mounts and connector kits take the hassle out of digital menu boards with a variety of features that simplify installation and maintenance. For help configuring menu board solutions try our Multi-Monitor Calculator app at www.chiefmfg.com/fusioncalc.

* Note: for FUSION features, see front side.

CUSTOMIZE YOUR SOLUTION

FUSION® is a flexible mounting system with a line of available accessories that integrate seamlessly with the mount. Visit www.chiefmfg.com for more information on FUSION and accessory options.
